

**NFSA NORTH TEXAS CHAPTER  
FIRE SPRINKLER DEMONSTRATION TRAILER  
FUNDING SPONSORSHIP CAMPAIGN**

The **NFSA North Texas Chapter** is pleased to announce an exciting campaign to become a funding sponsor for a state-of-the-art Fire Sprinkler Demonstration Trailer to show the effectiveness of fire sprinklers. The Dallas/Forth Worth Metroplex has been identified as a region with great potential to create new fire sprinkler markets, especially new residential fire sprinkler markets. The Fire Sprinkler Demonstration Trailer has proven to be one of the most valuable tools to show the public, homebuilders, homebuyers, elected officials and other stakeholders the fire sprinkler advantage through a “live-fire” demonstration.

The Fire Sprinkler Demonstration Trailer will be modeled after the one pictured above from the NFSA New Jersey Chapter and will be available at no cost to sponsors, to local jurisdictions in support legislative initiatives, and can be scheduled throughout North Texas for special events.
